

Always.

I have the most beautiful dreams of you,  
The one who makes them come true,  
Dreams of joy and pleasure and love and peace,  
All of which to me, without you, are incomplete,  
You have your place in my mind where you live  
rent-free,  
And in my heart and no one can compete,  
Oh help me, I hope you will,  
With your sweet embrace, my desires you fulfill  
My lover, my best friend, my Sunshine  
My beautiful angel who's so divine,  
Remember me, I hope you will,  
You cannot forget for I shall be with you always
